Ordering Information

Use the catalog number for the ClearPort-P model (PCP-2, PCP-4, or PCP-6), the catheter configuration (preattached or attachable) French size, material, and tip configuration required. Example: the catalog number for our Mini Polysulfone ClearPort-P with a 5 French Hydromer coated Polyurethane catheter that will be attached during surgery, is: PCP6-AC-5H. (PCP6 - Mini ClearPort, AC attachable catheter, 5H - 5 French Hydromer coated Polyurethane catheter).

Suture retention beads will be placed on catheters if requested. Catheter length will be 24"/60cm unless otherwise specified. See further back in this catalog for catheter materials & modifications information. admin@carfil.be
